FEE AGREEMENT, TERMS & CONDITIONS

Once a space has been confirmed by a Centre Director you are required to pay fees in advance of care. Fees are to be paid in full by the 1st business day of each month. Payment may be made by pre-authorized credit card (Mastercard, Visa) or pre-authorized debit. Please note a non-base fee (transaction fee) of 2.40% will be applied if paying by credit card.

Enrolment in the Centre is conditional on full and timely payment of all fees. It is your responsibility to keep your account balance current. We reserve the right to add a "Late Fee Service Charge" to your account, change your method of payment and/or terminate your child care space if your account is not kept current. Furthermore, please note that if you leave the Centre with an outstanding balance owing, we will use any and all measures available to us to collect the balance. If payments are not processed due to non-sufficient funds, a non-base fee of \$25 will be charged to your account.

Tuition fees for full day care are based on a nine-hour day. You are required to pay fees for any day which your child is scheduled to be at the Centre, whether they are in attendance or not. This includes all holiday closures (please see Parent Handbook), vacation days, any days your child is away due to illness, absences due to inclement weather or emergency centre closures. No rebate or reduction can be given for these absences.

Child Care Centre & Before/After School Withdrawal Policy: We require four weeks written notice when withdrawing your child from the Centre and Before and After School Programs. Full tuition for the four week period is payable if inadequate notice is given. If attending FDK in the fall your last day of care will be the Friday before Labour Day. If you choose not to attend FDK please advise your centre administrator at least four weeks in advance.

Summer Camp Cancellation & Withdrawal Policy: Cancellation & withdrawal of summer camps is available prior to April 30, communicated directly to the Centre Administrator. After this date, full fees are required to be paid for the weeks enrolled.

Tax Receipts: Tax Receipts for all accounts that are not outstanding will be available by the end of February of each year, regardless whether the child remains enrolled at the Centre or has withdrawn throughout the year.

***Children are eligible for the CWELCC Program for ages 0-5. If your child is in their sixth year, they are eligible as stated below:**

- Up to June 30 for those born between January and June
- To the end of the child's birth month for those born between July and December
