

London Bridge Before and After School Programs

We partner with local school boards to provide licensed before and after school programs in your child's school

LONDON BRIDGE
CHILD CARE SERVICES INC.

About the Program

London Bridge partners with local school boards in Middlesex, Huron and Lambton Counties to provide care for your child before and/or after school right inside their school.

These licensed programs operate during the academic school year from September - June. Children from JK to Grade 6 are eligible to enroll. We also offer full day programs on all non-instructional days. (at select locations)

We provide safe spaces where we listen to children's ideas and support them as they continue to develop their own sense of self and overall wellbeing.

Children will have opportunities to:

- Build friendships
- Engage in indoor and outdoor activities
- Share their ideas
- Be creative

And most of all...have fun!

What Parents Have to Say
“Wouldn't want my child to be anywhere else.
We love it!”

“I cannot say enough good things about our childcare site and I recommend them to everyone I know.”
